FONDAZIONE  
SOZZANI

Fondazione Sozzani was established in 2016 by Carla Sozzani and is dedicated to the promotion of culture through photography, fashion, the fine arts, and applied arts.

The Foundation has assumed the patronage of Galleria Carla Sozzani and continues all relevant public functions that the Gallery has supported since 1990.

The Foundation also focuses on creativity and awareness, and promotes the circular economy in fashion. Since 2021 Sara Sozzani Maino curates and coordinates projects dedicated to education, responsibility, and the next generation of creatives.

The venue at via Bovisasca 87 is located in Bovisa, the historic industrial area of the city. Its size allows a wider range of contemporary presentations through exhibitions and events.

Built in 1967, the industrial independent building is located inside a large courtyard and used to host the Cooperativa Selciatori e Posatori.

It extends on a surface of 3300 sqm plus 700 sqm of garden and courtyard.
