FONDAZIONE  
SOZZANI

Fondazione Sozzani was established in 2016 by Carla Sozzani and is dedicated to the promotion of culture through photography, fashion, the fine arts, and applied arts. The Foundation has assumed the patronage of Galleria Carla Sozzani and continues all relevant public functions that the Galleria has supported for the past 33 years.

Galleria Carla Sozzani was founded in 1990 in Milan by Carla Sozzani and over the course of the years, has promoted a deeper and enriched understanding of the both the history of photography and the fine and applied arts expressed in the fields of fashion and lifestyle of the 20th century. In presentations and lecture series around the world, areas of artistic concern have been critically explored and promoted across cultural borders, leading to the cross pollination of creative insights, and the development of new international projects.

The exhibition space is devoted to fashion projects. The Foundation is committed to advancing the quality and aesthetic depth of contemporary life through an expansion of knowledge of the history, execution, use, and presentation of fashion and illustration.

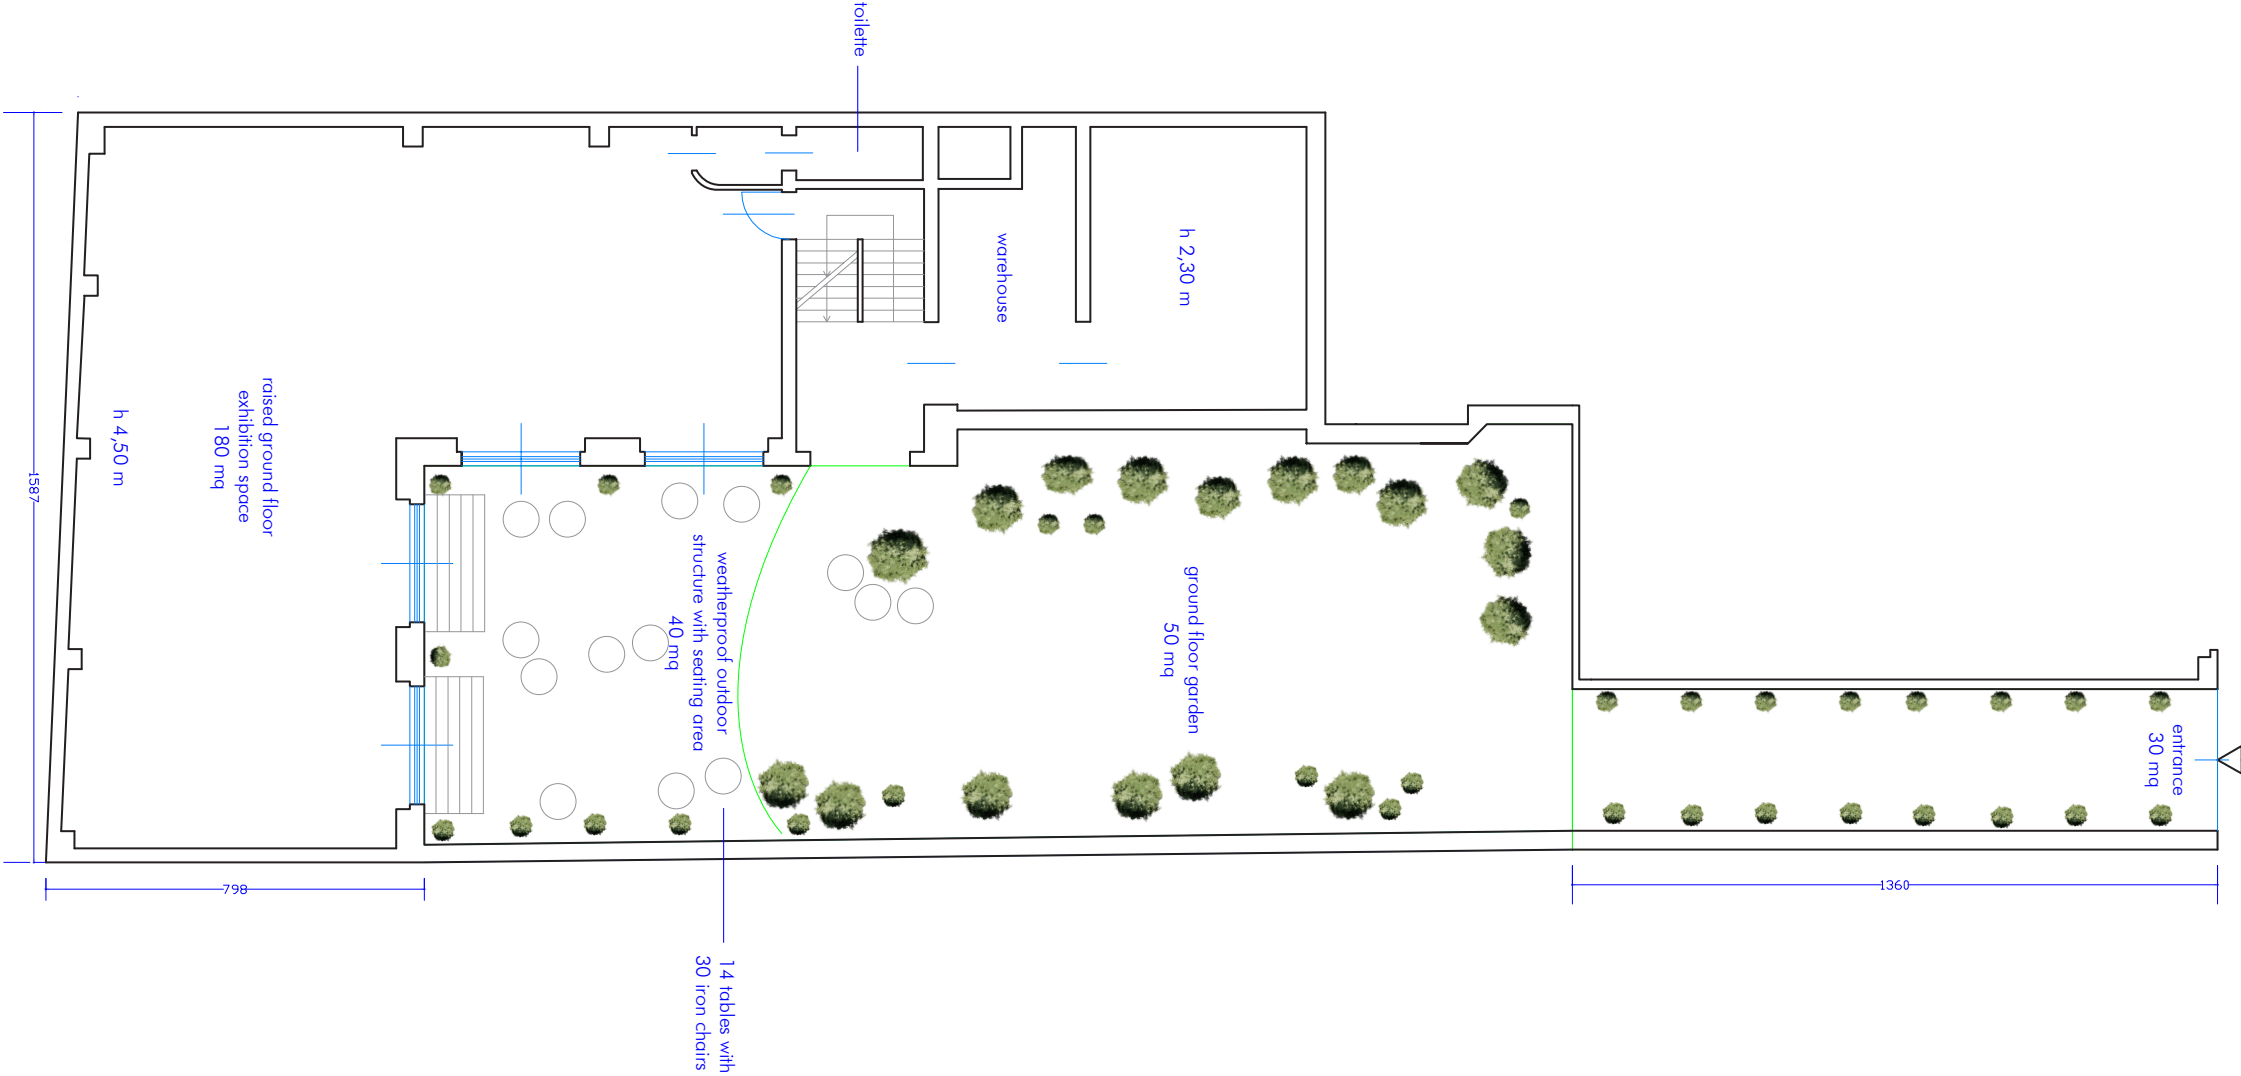

In via Tazzoli 3, Fondazione Sozzani focuses on creativity, responsibility, and awareness. The Foundation continues its efforts to highlight the importance of circular fashion and sustainability for the future. It supports the new generation and give the opportunity to guest designers to show and sell their collections.
